

## **Nollenberger Capital Partners Welcomes Daniel Massiello to its Public Finance Team**

SAN FRANCISCO, July 17, 2008 – Nollenberger Capital Partners, Inc. (NCPI), a privately held investment banking and investment advisory firm, today announced Daniel Massiello has joined its Public Finance team as a Principal. Mr. Massiello brings over 18 years of municipal finance experience to an already seasoned team.

“Dan has a broad range of experience as a Public Finance banker,” said Bruce Nollenberger, President and CEO of Nollenberger Capital Partners. “From voter-approved General Obligation Bonds to Revenue supported financings to developer-driven community Facilities District financings, Dan consistently demonstrates the requisite ability, talent, insight and creativity to successfully bring financings from concept to closing.”

Starting his career in 1990 as a municipal financial advisor for a New York based firm, Mr. Massiello structured both new money and refunding G.O. bond issues, cash flow borrowings and revenue backed utility projects. In this capacity, Mr. Massiello was directly responsible for over \$3 billion in transactions successfully brought to market.

Since 2000, Mr. Massiello has been an Investment Banker in California. During this time, he has structured and marketed financings for Cities, Redevelopment Agencies, Special Districts and School and Community College Districts. Successfully completed transactions include Tax Increment, General Obligation, Certificate of Participation, Installment Purchase, Lease Revenue, Revenue, Special Tax, and Sales Tax supported financings. Most of these transactions involved unrated and challenging credits, which have garnered Mr. Massiello the ability to engineer well-structured and marketable financing vehicles that consistently meet his clients’ financing goals and objectives.

Mr. Massiello earned his B.S. in Management and Finance from the State University of New York Binghamton and holds Series 7, 24, and 63 FINRA Licenses.
